

Community Workshop

Land off Shootersway, Berkhamsted

Croudace Homes have a site on land off Shootersway, Berkhamsted that we are at the very early stages of preparing a planning application. Before commencing work on the application, we would like to invite you to a community workshop to understand the needs, wants, challenges and opportunities for those living in Berkhamsted.

This event will provide an opportunity for all members of the Berkhamsted community to speak with us about shaping the outcome of this site, in a way that puts community benefits at the heart of any future proposals.

We will have activities for all the family to get involved with.

Following the event we will take time to consider the feedback received and hold a public exhibition on plans for the site later on in the year.

Please drop in and speak to us:

Monday 3rd March 3.30pm - 7pm

Northchurch Social Centre, Bell Lane, Northchurch, HP4 3RD

If you're unable to make the event, we would be happy to hear from you to arrange a time to speak separately.
